Please check this file again shortly before you leave. If you are on a 32 or 36 week course, the price for accommodation may increase in the spring term.

The rouble exchange rate in recent times has varied between 75 and over 100 roubles to the pound. To find today's rate go to www.xe.com or download the xe app on your tablet or phone. As a result, some centres have decided to price accommodation in pounds. Where you see a price in pounds, you will be expected to pay each month in roubles at the current Russian Central Bank exchange rate.

You will be given instructions on how to pay on arrival. You should expect to pay one month in advance in roubles and to give one month's notice if you plan to move out into your own accommodation – or pay a month's rent in lieu of notice. Please read the *Money* section of the website for how to get roubles.

Please note that you will not be given the address of your homestay accommodation before you arrive in Russia. Please read the *Accommodation arranged for you* section for more details.
